Dear Colleagues,

Company Global Surveyors & Inspectors Ltd. founded in 1980.

"Etalon-test" fast-growing certification body, which employs energetic and talented people.

We would like to sincerely thank the company "Etalon-test" in the person of General Director Pryanina AV, for the prompt and professional solution to problems in the certification of our products.

All work is performed at a high professional level.

We are 100% satisfied with the services of "Etalon-test" and a reasonable price, we recommend Certification Center "Etalon-test" as a reliable international partner in certification.

James Kim , Director

Global Surveyors & Inspectors Ltd.
